Photographs on this portal may be used FREE OF CHARGE under certain conditions.

Free Use of Photographs

Photographs from the image database may be downloaded free of charge from the website www.marlazne.cz exclusively for promotional and non-commercial purposes, for publication both in the Czech Republic and abroad.

Photographs from this image database may only be used in accordance with copyright law and the legitimate interests of the database owner, the City of Mariánské Lázně.

Non-Commercial Use

Non-commercial use includes, for example:

- publication in printed periodicals and non-sale promotional materials (e.g. travel agency catalogues, leaflets, non-commercial publications),
- publication in an electronic travel agency catalogue on the web,
- photographs may be used in newspapers and magazines solely for news reporting purposes and to a reasonable extent,
- journalists may also use the photographs to promote the Czech Republic.

In all other cases, use without the author's consent is considered a violation of copyright law.

Mandatory Source Attribution

Whenever photographs from www.marlazne.cz are used, the source and the author of the photograph must be credited:

- Printed materials: at least once per page,
- Electronic publications (websites, e-catalogues): on every page, including an active link to www.marlazne.cz.

Required wording:
"The photographs used originate from the website www.marlazne.cz, the image database of the City of Mariánské Lázně."

Commercial Use of Photographs

Any commercial use of the photographs (e.g. commercial publications, promotional materials, calendars, etc.) requires the consent of the author.

The contact details of the author will be provided by the image database administrator.

Restrictions on Use

The photographs may not be used systematically, repeatedly, or excessively, nor for the creation of independent databases or archives (e.g. on travel agency websites).

Violation of Rights

Violation of the rights of the author or the image database owner may result in legal action and claims for damages.
